March 31, 2025 – Miller Homes Group (Finco) PLC, a public limited company incorporated under the laws of England and Wales (the “**Company**”), announced today its intention to issue and sell €475.0 million in aggregate principal amount of Floating Rate Senior Secured Notes due 2030 (the “**Notes**”) (the “**Offering**”), that will be exempt from the registration requirements of the Securities Act of 1933, as amended (the “**Securities Act**”).

The Company expects to use the proceeds from the Offering, to (i) fund the full redemption of €465.0 million in aggregate principal amount of its Floating Rate Senior Secured Notes due 2028 (the “**2028 Notes**”) and pay accrued and unpaid interest thereon and (ii) pay certain fees, costs and expenses in connection with the Offering and the amendment and restatement of the Company’s existing revolving credit facility agreement (as further described below).

In connection with the Offering, the Company has agreed to amend its revolving credit agreement for the purposes of (i) extending the maturity date applicable to participating lenders and (ii) amending certain other terms and conditions (including, but not limited, to aligning the covenants to those covenants applicable to the Notes). This amendment will be conditioned on the completion of the Offering.

The Notes are being offered only (i) in the United States, to persons reasonably believed to be qualified institutional buyers within the meaning of Rule 144A under the Securities Act; and (ii) outside the United States, only to non-U.S. persons in offshore transactions pursuant to Regulation S under the Securities Act. The Notes will not be registered under the Securities Act or the securities laws of any State or other jurisdiction of the United States and may not be offered, sold, pledged, taken up, resold, delivered or otherwise transferred except pursuant to an exemption from or, in any transaction not subject to, the registration requirements of the Securities Act.

This press release is neither an offer to sell nor a solicitation of an offer to purchase any security. There shall not be any offer of any security in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration, qualification or other similar action.

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the “**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended or superseded), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a “qualified investor” as defined in Regulation (EU) 2017/1129 (as amended, the “**Prospectus Regulation**”). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA will be prepared. Therefore, offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation. Any offer of Notes in any Member State of the EEA will be made pursuant to an exemption under the Prospectus Regulation from the requirement to publish a prospectus for offers of Notes.

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”); or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of the Prospectus Regulation as it forms part of domestic law by virtue of the EUWA (the “**UK Prospectus Regulation**”). Consequently, no key information document required by the PRIIPs Regulation as it forms part of domestic law by virtue of the EUWA (the “**UK PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the UK will be prepared. Therefore, offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation. Any offer of Notes in the UK will be made pursuant to an exemption under the UK Prospectus Regulation from the requirement to publish a prospectus for offers of Notes.

MiFID II professionals/ECPs-only – Manufacturer target market (MIFID II product governance) is eligible counterparties and professional clients only each as defined under MiFID II (all distribution channels).

UK MiFIR professionals/ECPs-only – Manufacturer target market (UK MiFIR product governance) is eligible counterparties, as defined in the Financial Conduct Authority Handbook Conduct of Business Sourcebook, and professional clients only, as defined in Regulation (EU) 600/2014 as it forms part of domestic law by virtue of the EUWA (“**UK MiFIR**”) (all distribution channels).

In connection with this offering of the Notes, HSBC Bank plc (the “**Stabilizing Manager**”) (or affiliates acting on behalf of the Stabilizing Manager) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilizing Manager (or affiliates acting on behalf of the Stabilizing Manager) will undertake stabilizing action.

The Stabilizing Manager may engage in over-allotment, stabilizing transactions, covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Over-allotment involves sales in excess of the Offering size, which creates a short position for the relevant Initial Purchaser. Stabilizing transactions permit bidders to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum. Covering transactions involve purchases of the Notes in the open market after the distribution has been completed in order to cover short positions. Penalty bids permit the Stabilizing Manager to reclaim a selling concession from a broker or dealer when the Notes originally sold by that broker or dealer are purchased in a stabilizing or covering transaction to cover short positions. These activities may stabilize or maintain the respective market price of the Notes above market levels that may otherwise prevail. The Stabilizing Manager is not required to engage in these activities, and may end these activities at any time. Accordingly, no assurance can be given as to the liquidity of, or trading markets for, the Notes.

These stabilizing transactions, covering transactions and penalty bids may cause the price of the Notes to be higher than it would otherwise be in the absence of these transactions. These transactions may begin on or after the date on which adequate public disclosure of the terms of the Offering is made and, if commenced, may be discontinued at any time at the sole discretion of the Stabilizing Manager. If these activities are commenced, they must end no later than the earlier of 30 days after the date of issuance of the Notes and 60 days after the date of the allotment of the Notes. These transactions may be effected in the over-the-counter market or otherwise.
